

Cycle: BA graduates Date (month & year)\_\_\_\_\_

Department of Anthropology, TAMU, Student Exit Survey

**Description:** To allow us to assess the quality of the educational experience during your undergraduate career as an anthropology student at TAMU, you are required to complete the following anonymous questionnaire.

**Please return your completed form on/before May 15<sup>th</sup> to the front desk in the Department of Anthropology and ask the person at the desk to place the form in Dr. Thoms' (the Assessment Coordinator) mail box. If you are not on campus, please send a pdf of the completed form to Marco--Valadez--mivaladez@tamu.edu--and he will print it and put it in my mail box, and thereby maintain anonymity as best as we can.**

*Please select an answer ranging from 1 to 5, with 5 being the best.  
(1=Strongly disagree, 2=Disagree, 3=Unsure, 4=Agree, 5=Strongly Agree)  
Write this number following each statement.*

1. I feel competent to go out and find employment in anthropology. \_\_\_\_
2. I feel that I can explain the discipline of anthropology to the lay public.  
\_\_\_\_\_
3. I feel competent to explain the basic concepts of the three main branches of anthropology taught at TAMU: archaeology, cultural, and biological anthropology. \_\_\_\_
4. The range of courses I was required to take addressed my interests and needs. \_\_\_\_
5. I would rate the faculty as a whole highly. \_\_\_\_
6. I would rate the mentoring and/or the advising received in the department highly. \_\_\_\_
7. The study of anthropology has left me better prepared to live in a culturally diverse society. \_\_\_\_
8. I feel prepared to continue in a graduate program here or at another university. \_\_\_\_

**Please add any comments you believe would be helpful in evaluating your overall experiences as an anthropology major at Texas A&M University:**
